VIDEO CONTEST

"How much I miss my community out reach rotation?"

About the contest:

Of all the effects that COVID has placed on Optometric practice, the predominant one is on community out-reach. Optometrists as primary eye care professionals were in the front line eliminating avoidable blindness. Share with us your story of how you miss your community out-reach rotation as an audio story.

Cover on:

What and how much of activity were you doing before COVID?

Did you try any innovative methods during COVID?

Guidelines:

- ❖ Optometry students / practitioners can apply
- ❖ Only one entry per person is allowed
- ❖ Only registered participants can apply
- ❖ Two minute video (MPEG format). Exceeded time limit will not be considered for evaluation
- ❖ To be shared in Google drive (evmemorial@snmail.org) on or before March 21, 2021 along with registration form.

The winners names and their presentation would be displayed on 28th March 2021.

Registration for the conference is mandatory.
