Eighth Dr S. Narasimhan Memorial Award” for the Best Research in Optometry

May 9, 2019

Dear Colleagues,

Greetings from Elite School of Optometry.

The “Dr S Narasimhan Memorial Award” for the “Best Research in Optometry” was instituted by Dr S Rajagopal, S/O Dr S Narasimhan. The award carries a Cash Prize, Plaque, and a certificate. The award would be given every year during the convocation function of ESO. Guidelines for eligibility for this year are given below.

I request your kind co-operation in the form of submission of your publications for the award. **The last date for submission of Research paper is June 30, 2019.** Also, I request you to spread the word among ESO graduates/alumni about the award.

Best Regards,
R. Krishna Kumar.

“Dr S. Narasimhan Memorial Award” for the Best Research in Optometry

1. The persons who are desirous of competing for the Award should send their names along with the manuscript of the Research paper to the ESO office (esoaward@gmail.com/eso@snmail.org) through their Heads of the Department.
2. All Optometrists, and postgraduate/Doctorate/ Fellowship students of Sankara Nethralaya / Elite School of Optometry are eligible for the award.
3. A committee of three senior faculty members appointed by the Principal of Elite School of Optometry will scrutinize these for the quality of the research content. (**Dr S. Narasimhan** Memorial Award – Preliminary scrutiny committee)
4. The committee will scrutinize these papers for the quality of the research content with marks awarded according to the criteria provided by the Principal of Elite School of Optometry.
5. The Principal of Elite School of Optometry will select 3 to 5 of them after totaling the marks for a presentation by the authors on a date and time fixed by him or her.

6. The authors of the selected papers will present the same to the audience consisting of the Optometrists, Ophthalmologists, and Undergraduate /postgraduate/Doctorate/ Fellowship students in both clinical and basic sciences.
7. A panel of judges (**Dr S. Narasimhan Memorial Award** - Panel of Judges) consisting of three senior faculty members will be appointed by the Principal of Elite School of Optometry to select the best paper. The panel will be provided with the criteria based on which the judges will provide the marks for each candidate.
8. The Principal of Elite School of Optometry will collect the results from the judges, calculate the total marks obtained and announce the name of the awardees. In case of a tie the award will be shared among all of them even if they are more than two.
9. The “**Dr S. Narasimhan Memorial Award**” for the Best Research in Optometry will be presented to the recipient(s) during the Optometry graduation ceremony of 2019.

All the Best!

Dr R Krishna Kumar
Principal
Elite School of Optometry
