LUXOTTICA GROUP

Ray-Ban Sun Optics India

Senior Manager - Human Resources

It gives us immense pleasure in informing you that the Research Project submission on the subject Vision Related Quality of Life of Children with Uncorrected Refractive has been judged as the best research submission by our Jury of doctors in the US. The Jury found the research to have a great degree of professionalism and scientific endeavor which was reflected in the report.

We congratulate and appreciate the excellent work done by Ms. Sheila Evangeline, MPhil student for this project.

We congratulate you and Elite school for providing such leadership for research students to excel in their work. We hope that you shall continue to encourage your students to participate in our research program.

As communicated earlier, this carries the cash award of Rs. 1,00,000/- (One Lac) and a citation from Luxottica.

Please let us know if your school is hosting any convocation or get-together for some event so that we can come over and present the award.
