

9th Dr S Narasimhan Memorial Session – “Best Research in Optometry”

The 9th Dr S Narasimhan Memorial Session was held on 24th March 2021, between 2 pm to 5 pm as a virtual event. Dr S Rajagopal, S/o Dr S Narasimhan has instituted the “Dr S Narasimhan Memorial Award” for the “Best Research in Optometry”. Optometrists, postgraduates, Doctorate and fellowship students of Sankara Nethralaya / Elite School of Optometry are eligible to present their research papers. The award include a cash prize, plaque, and a certificate. Out of the 12 submissions for the year, 9 were selected for the final presentation. A three judge panel evaluated both the manuscripts submitted and the presentation.

“Dr S Narasimhan Memorial Award” for the “Best Research in Optometry” is awarded to Ms Swetha for her work on “Predictors of Cost and Effectiveness of Sankara Nethralaya School children Eye Examination Study (SN SEES)”. Congratulations to the winner and the participants!

Ms S Swetha
