Literature Review and Research Methodology presentation

Elite School of Optometry In collaboration with SASTRA Deemed to be University offers Master of Optometry, a research intensive degree program. The literature review and Methodology presentation was held on 10th of July 2021 virtually. The presentation of student's specialty areas were based on Myopia, Occupational Optometry, Glaucoma, Quality of Life and Patient reported outcomes and Retina.

We invited two experts from the field as external examiners to evaluate the student's literature review and Methodology presentation. Experts unanimously agreed that the students did an excellent job amidst the grueling pandemic. Dr. Krishna Kumar and Dr. Gella Laxmi evaluated and reviewed the student's presentation. The examiners appreciated the quality of the student's research work. The details of the research projects are given below:

No	ID No	Name	Guide	Topic
1	1221480 01	Agatha K Saji	Dr Rashima A / Dr S Viswanathan	Effect of using blue light filtering spectacle lenses and computer based application on visual performance
2	1221480 03	Annapoorani C T	Dr Rashima A Ms Janani S	Role of various color vision tests and its impact on driving
3	1221480 04	Kharthiyaa Loganathan	Dr Rashima A Dr Kalpa N	Understanding Optometrists' Clinical Practice Patterns for Glaucoma Detection in South India

4	1221480 06	Sangeetha S	Dr Ronnie George Dr Kalpa N	Impact of binocular visual field parameters on vision related quality of life (VRQoL) and performance based measure in glaucoma
5	1221480 08	Ambika C	Dr. N Anuradha/ Mr Jyothi Balaji J	Construction and validation of HRQoL questionnaire among children with VKC and their parents.
6	1221480 02	T Amose	Dr Parveen sen Ms S Ramya	Choriocapillaris flow deficit (CCFD) analysis in Age related macular degeneration (AMD) using Swept source optical coherence tomography (SSOCTA) – A Retro-prospective Study
7	1221480 05	Anusha Paritala	Dr S Viswanathan Ms Aparna/ Mr Jothi Balaji J	Effect of low dose Atropine (0.01%) eye drops on choroidal thickness and peripheral refraction in children with myopia
8	1221480 07	Varsa Harinya	Dr Anuradha N Ms Aparna G / Dr S Viswanathan	Quality of life in an indian sample of moderate and high myopia
9	1221480 09	Nandhinee S	Dr Anuradha N/ Ms Sarika G	Barriers and facilitators for compliance to low vision care services in a tertiary eye care hospital – A qualitative study
